### **Planned Power Interruption**

Thunder Bay, ON - On Sunday, October 19 from 5:00 a.m. to approximately 11:00 a.m. a power interruption will take place that will affect homes and businesses located in the following area:

- *East of Memorial Ave.*
- *West of Fort William Road*
- *South of Third Avenue*
- *North of Central Ave*
- *parts of the plaza located south of Central Ave.*

Maintenance and repairs are scheduled to take place on hydro equipment that is on the line that connects power to this area.

Scheduling for the work was planned to minimize impact on the area. Businesses have been visited with notices and consumers may notice that some businesses have taken steps to reschedule their opening hours on that day.
