**Thunder Bay Hydro Employees Put Some Power Behind
Their United Way Campaign**

Thunder Bay, ON – Sixty one percent of employees at Thunder Bay Hydro made the connection with a payroll deduction plan to support the local United Way campaign this year. This number is up from thirty seven percent last year.

“I’m proud of the people that we have working here and impressed with the involvement of staff from all areas of our operations, “ says Robert Mace, President of Thunder Bay Hydro. “During these economic times, it is important for us to work together to make the community a better place. ”

A cheque for \$12, 090.25 was presented to United Way representatives today. This represents a thirty three percent increase in giving over last year.
