**SUBJECT:** PSA for public tours of New Generation Plant

**Comments:**

Please provide the following public service announcement where appropriate:

Free Public Tours of the new renewable generating station will take place on Tuesday, September 7 at 3:15 pm, 4:00 pm and 4:45 pm. The plant is located in a secure area just south of the City landfill on Mapleward Road. Parking has been set up and shuttle service will be provided. Please follow the signs. Visitors are asked to arrive 15 minutes prior to any tour time.

Interested people can find more information on the Thunder Bay Hydro Website [www.tbhydro.com](http://www.tbhydro.com) or by calling 343-1131 during business hours.
