Traffic Disruption Planned for Monday, August 30

Thunder Bay, ON – The street where John Street becomes Oliver Road between Algoma and High will have traffic disrupted with some closures on Monday, August 30 to facilitate work on the hydro lines in the area. This will impact traffic flow from Banning Street, Ontario St. and Secord Street as well as cross traffic from intercity and residential areas.

The closure will begin at 10:00 am and continue through to 4:00 pm or until the work is done. Motorists are asked to plan their routes accordingly.
