For Immediate Release

### **Traffic Disruption Planned for Wednesday, September 8**

Thunder Bay, ON – Oliver Road between Ontario Street and High Street will have traffic disrupted with some closures on Wednesday, September 8. If forecasted rain materializes, the work will be done on Thursday.

The traffic disruption is taking place to facilitate work on the hydro lines in the area. This will impact traffic flow from Banning Street, Ontario St. and Secord Street as well as cross traffic from intercity and residential areas.

The closure will begin at 10:00 am and continue through to 4:00 pm or until the work is done. Motorists are asked to plan their routes accordingly.
