

NOTICE
OF
SCHEDULED POWER INTERRUPTION
Thursday, December 15, 2011
1:00 pm to ~4:00 pm

On Thursday, December 15, major maintenance work is scheduled¹ to take place on hydro equipment that connects your business to its electrical supply. For safety reasons, the power supply to your building will need to be suspended during the hours noted above.

We apologize for any inconvenience that this will create. For more information, please see Section 2.3 in the Conditions of Service posted on the Thunder Bay Hydro website www.tbhydro.com.

Please contact
Ron Lapenskie, Electrical & Maintenance Supervisor
343-1198

if you have any questions or concerns.

¹ This scheduling is subject to conditions beyond our control such as weather.
