

**NOTICE OF
POWER INTERRUPTION**

Thunder Bay Hydro would like to inform customers of a six (6) hour power interruption starting at 2:00 a.m. on **Sunday Sept 27** and ending by 8:00 a.m.

Customers affected include those along Kam Rd and in the area south of the Kaministiquia River east of Pollard Dr including Darrel Ave, City Rd and Sandy Beach Rd.

The interruption is necessary to establish safe work clearances in preparation for an upgrade of our equipment at Hydro One's Fort William Transformer Station (FWTS).

The same area will be affected again on **Sunday Oct 4** between 2:00 a.m. and 8:00 a.m. during the return to service of FWTS following the upgrades.

Should either of the above dates be cancelled due to circumstances beyond our control, the rescheduled date will be Sunday Oct 11.

Thunder Bay Hydro regrets any inconvenience this may cause.
