NOTICE OF POWER INTERRUPTIONS

Thunder Bay Hydro would like to inform customers of an eight (8) hour power interruption starting at 11:00 p.m. on **Saturday, April 30** and ending by 8:00 a.m. on **Sunday, May 1**.

Customers affected include those along Kam Rd and in the area south of the Kaministiquia River east of Pollard Dr including Darrel Ave, City Rd and Sandy Beach Rd.

The interruption is necessary for Hydro One to perform maintenance at their Fort William Transformer Station.

Should the above dates be cancelled due to circumstances beyond their control, the rescheduled date will be Saturday May 7 – Sunday May 8.

Thunder Bay Hydro regrets any inconvenience this may cause.
